DESIGN ENGINEER

# HONIG

●●●● [MAARTENHONIG.COM](https://maartenhonig.com)

As a *Master of Human Centered Multimedia* and former Frontend Developer, I now lead the way in UX design.

*Always thinking outside the screen.*

●●●● **WORK EXPERIENCE**

2025

**FREELANCE**

NOW

**DESIGN ENGINEER**

Bridging design and engineering, I craft polished digital experiences across Web, App, AR, VR, and spatial computing. From concept to code, I deliver award-winning work that blends creative direction with hands-on development.

2023

**FREELANCE**

2024

**UX DIRECTOR**

As a creative UX expert, I freelance across AR, VR, Web, App, and experimental sectors, consistently delivering high-quality results. As a dedicated professional, I effectively balance multiple tasks, ensuring excellence in all my endeavors.

2015

**BIKKELHART**

2016

**INTERACTION DESIGNER**

Interaction Design with a focus on E-commerce. Creating the most flawless funnels, but also optimizing existing ones based on analytics.

2024

**STARTUP**

2024

**FOUNDING DESIGNER**

As the founding designer I created the foundation of an app on the intersection of Health, Wellness and Social. From the manifest, rationale to designs. This first version of the app set the direction and opened up the door to the first users.

2016

**MONKS**

2022

**UX DIRECTOR**

Initially focused on platforms, now leading the creative UX Core team in delivering the best work of the industry. Delivered on AR, VR, Web, App, and Experimental projects. Next to my day-to-day tasks, I'm part of the operations team and overseeing APAC UX activities.

2012

**DE TOEKOMST**

2015

**INTERACTION DESIGNER**

Visualize, sketch, design, and review functionalities and interactions on websites and mobile apps. Acting as a consultant to companies abroad.
